

A new vision of transport, logistics and freight forwarding

ATHINAIKI S.A. brings a whole new vision of personal commitment to your transport, logistics and freight forwarding challenges. Our 330 employees put this vision into practice every day by:

- Being ready to listen, in order to better understand your needs and challenges
- Respecting quality of service standards, so that you and your customers are satisfied
- Providing effective solutions
- Prioritising people-oriented and environment-friendly solutions
